

No Mo' Trouble

Mario Biondi

I wanna take by the hand
Let me stand a little far from land(I'm) gonna take you by the hand
 Let me know if you understandI wanna take you by the hand
 I turn my way if you've got no plansI wanna take you by the hand
Let me show you're in high de-mandI'm gonna take you by the hand
 I you come you will free so free
 Wanna take by the hand
 Come what may just don't hesitate-
 Wanna take you by the hand
 Let me please if you want to seeWanna take you by the hand
 Let me know what you really wantGive me more trouble
 No more trouble
 No more
 Give me more trouble
 No more trouble
 No more trouble
 Give me more trouble
 No more trouble
 No more troubleGive me more trouble
 No more trouble
 No more trouble
