

Sweet Virginia

Dickey Betts & Great Southern

Sweet Virginia I believe in you
Little things she say and do
With just her smile you taste the blues
Sweet Virginia I believe in you I don't care what somebody say
Ain't nobody gonna make it alone
Might get down on your knees and pray
Without someone to love you won't last long Sweet Virginia I believe in you
Little things she say and do
With just her smile you taste the blues
Sweet Virginia I believe in you
Sweet love some roses and wine
Dreaming of tomorrow looking at today
Right in that alter knowing all the time
All it is all it ever will be is right now anyway Sweet Virginia I believe in you
Little things she say and do
With just her smile you taste the blues
Sweet Virginia I believe in you
Sweet Virginia I believe in you
Little things she say and do
With just her smile you taste the blues
Sweet Virginia I believe in you
