

# The Watcher

Dr. Dre

Things just ain't the same for gangstas  
Times is changing, young niggas is aging  
Becoming O.Gs in the game and changing  
To make way for these new names and faces  
But the strangest things can happen from rapping  
When niggas get wrapped up in image and acting  
Niggas get capped up and wrapped in plastic  
Zipped up in bags: when it happens, that's it  
I've seen 'em come, I've watched 'em go  
Watched 'em rise, witnessed it and watched 'em blow  
Watched 'em all blossom and watched 'em grow  
Watched the lawsuits when they lost the dough  
Best friends and money: I lost them both  
Went visited niggas in the hospital  
It's all the same shit all across the globe  
I just sit back and watch the show Everywhere that I go  
Ain't the same as befo' (The watcher)  
People I used to know  
Just don't know me no mo' (The watcher)  
But everywhere that I go  
I got people I know (The watcher)  
Who got people they know  
So I suggest you lay low (I watch) I moved out of the hood for good, you blame me?  
Niggas aim mainly at niggas they can't be  
But niggas can't hit niggas they can't see  
I'm out of sight, now I'm out of they dang reach  
How would you feel if niggas wanted you killed?  
You'd probably move to a new house on a new hill  
And choose a new spot, if niggas wanted you shot  
I ain't a thug, how much 2Pac in you you got?  
I ain't no bitch, neither  
It's either my life or your life  
And I ain't leaving, I like breathing  
Nigga, we can go round for round  
Clip for clip, shit, fo'-pound for pound  
Nigga, if you really want to take it there, we can  
Just remember that you fucking with a family man  
I got a lot more to lose than you, remember that  
When you wanna come and fill these shoes Everywhere that I go

Ain't the same as befo' (The watcher)  
People I used to know  
Just don't know me no mo' (The watcher)  
But everywhere that I go  
I got people I know (The watcher)  
Who got people they know  
So I suggest you lay low (I watch) Things just ain't the same for gangstas  
Cops is anxious to put niggas in handcuffs  
They wanna hang us, see us dead, enslave us  
Keep us trapped in the same place we're raised in  
Then they wonder why we act so outrageous  
Run around stressed out and pull out gauges  
Cause every time you let the animal out cages  
It's dangerous to people who look like strangers  
But now we got a new era of gangstas  
Hustlers and youngsters living amongst us  
Lookin' at us, now calling us busters  
Can't help but reminisce back when it was us  
Nigga, we started this gangsta shit!  
And this the motherfucking thanks I get?  
It's funny how time fly  
I'm just having fun just watching it fly by Everywhere that I go  
Ain't the same as befo' (The watcher)  
People I used to know  
Just don't know me no mo' (The watcher)  
But everywhere that I go  
I got people I know (The watcher)  
Who got people they know  
So I suggest you lay low (I watch)
