YOUNG SIZZLE

[Verse 1]

808 the game, pussy nigga what it is?
I been balling like a motherfucker jumping out the jam
Bought a CS63 and rode it round without no rims
Had to cut that bitch off, I had to hit her with the BM
Had to run up this cheque with my motherfucking pimp
This your bitch? She keep sliding in a young nigga DM
Niggas still telling lies 'bout their motherfucking life
Niggas still made I stole them from their motherfucking wife
I just took your old cheque and bought myself some brand new [?]
Niggas praying for my downfall but not the Jesus Christ
Took your whole fucking salary and spent it in a night
Got them wolves, got them lions, now let them niggas bite
I'mma get that hoe right, let that hoe get her fix
She be snorting like a motherfucker, still sucking dick
I been jumping 'cross the country nigga, just me and [?]
You know what I wanna be nigga, pay that [?]
Niggas mad in the [?] cause a young nigga got it[Hook]
I've been balling like a motherfucker, Young Sizzle popping
You've been cuffing like a motherfucker, defensive blocking
Niggas mad at Lil Sizzle cause a young nigga got it
Niggas know that I'm the motherfucking truth
Pull up on them pussy niggas in the coupe
Niggas know that I'm the motherfucking truth
Pull up on them pussy niggas in the coupe[Verse 2]
Fuck them niggas and they mama, I been riding round with extendos
Pull up on your main bitch with a pocket full of ammo
Get your bitch, make a movie and make my porno demo
Sizzle made another million, guess you didn't get the memo
Niggas pulling up with clips, same size as the limo
Got these niggas laying back like you pussies playing limbo
And I'm riding round with a chopper same size as kimbo
Spent a whole 20 grand on some bulletproof windows[Hook]
I've been balling like a motherfucker, Young Sizzle popping
You've been cuffing like a motherfucker, defensive blocking
Niggas mad at Lil Sizzle cause a young nigga got it
Niggas know that I'm the motherfucking truth
Pull up on them pussy niggas in the coupe
Niggas know that I'm the motherfucking truth

Pull up on them pussy niggas in the coupe
