

Fame

Infectious Grooves

Fame makes a man take things over
Fame lets him lose, hard to swallow
Fame puts you there where things are hollow
FameFame, it's not your brain, it's just the flame
That burns your change to keep you insane
FameFame, what you like is in the limo
Fame, what you get is no tomorrow
Fame, what you need you have to borrow
FameFame, "Nein! It's mine!" is just his line
To bind your time, it drives you to crime
FameCould it be the best, could it be?
Really be, really babe?
Could it be my babe, could it, babe?
Could it, babe? Could it, babe?Is it any wonder, I reject you first?
Fame, fame, fame
Is it any wonder you are too cool to fool?
FameFame, bully for you, chilly for me
Got to get a rain check on painFameFame, fame, fame, fame
Fame, fame, fame, fame
Fame, fame, fame, fame
Fame, fame, fame, fame
Fame, fame, fameFame, what's your name?Feeling so gay
Feeling gay
