

Raise The Knowledge

Gogol Bordello

Revolution is internal
Help yourself at any time
Evolution isn't over
No, no, no, no, no, no, no, no
We're about to use our mind, yeah

Yeah, to learn the language
Poets and rebels craved
To take off the tower
That taught them of the braved

Revolution is internal
Evolution isn't over, isn't over
I'm walking in the balance
I'm ready, ready to uncover
Evolution is preparing
All of us, maximum surprise

So raise, whoa-oh, the knowledge
Raise the knowledge, raise
Raise the knowledge, raise

Purification fire's coming
[Incomprehensible] full stretch
The Babylons are burning
Yeah-hey-hey-hey-hey, hey-hey-hey-hey
Profit [Incomprehensible] catch

Mystical knowledge is arising
And it's a pleasure to foresee
How the spirit wants the loving
Yeah-hey-hey-hey-hey-hey
And that's new currency
And that's new currency

Revolution is internal
Evolution is preparing a surprise
So raise, whoa-oh, the knowledge
Raise the knowledge, raise

Raise the knowledge, raise

Purification fire
Purification fire
Purification fire
Purification fire

Mother Water, purify us
For you know it's true
Once the oil is over
They'll be fighting over you
[Foreign Content]

Father Fire, purify us
For you know it's true
Those without the knowledge
They will never make it through
[Foreign Content]

Revolution is internal
Evolution isn't over, isn't over
I'm walking in the balance
I'm ready, ready to uncover
Evolution is preparing
All of us, maximum surprise

So raise, whoa-oh, the knowledge
Raise the knowledge, raise
Raise the knowledge, raise

Purification fire
Purification fire
Purification fire
Purification fire

Purification fire's comin'
