

# Handle Me

## Ankore

Yeah, I heard about some guy  
That you beat pretty bad and got in the papers  
    Sure, you own a cool bar  
And I hear you get far with every waitress  
    Yeah, I saw you on the poster  
Your song is the bomb and you're outrageous  
    Sure, I see you're livin' large  
With your crib and your cars and that's just great but  
    Let me tell you how it be  
    You won't get with this you see  
    'Cause you can't handle me  
    Yeah, you make your big move  
And I see you're not used to being rejected  
    Sure, you making' that call to your guy  
    And I'm sure you're well connected  
    Yeah, judging from that line  
You just passed you are well known and respected  
    Sure, would me and my girls  
Come participate in something you directed  
    Let me tell you how it be  
    You won't get with this you see  
    'Cause you can't handle me  
It's a simple fact that you can't seem to handle me  
    No matter how you act with them  
    You can't handle me, you can't handle me  
    You gotta make me feel you got my back  
But you're a selfish narcissistic psycho freaking  
Boot licking Nazi creep and you can't handle me  
    Yeah, I think you're kinda cute  
When you try and act like you ain't looking  
    Sure, I think you're kinda fly  
    And your ride sure is off the hooking  
    Yeah, bet you could take my mind off  
Things for some time and take me shopping  
    Sure, you writing those rhymes  
And the acts you produce are really kicking but  
    Let me tell you how it be  
    You won't get with this you see  
    'Cause you can't handle me

It's a simple fact that you can't seem to handle me

    No matter how you act with them

    You can't handle me, you can't handle me

    You gotta make me feel you got my back

    But you're a selfish narcissistic psycho freaking

    Boot licking Nazi creep and you can't handle me

    Yeah, I heard about some guy

    That you beat pretty bad and got in the papers

    Sure, you own a cool bar

    And I hear you get far with every waitress

    Yeah, I saw you on the poster

    Your song is the bomb and you're outrageous

    Sure, I see you're living' large

    With your crib and your cars and that's just great but

    Let me tell you how it be

    You won't get with this you see

    'Cause you can't handle me

It's a simple fact that you can't seem to handle me

    No matter how you act with them

    You can't handle me, you can't handle me

    You gotta make me feel you got my back

    But you're a selfish narcissistic psycho freaking

    Boot licking Nazi creep and you can't handle me
