Superfly

4 Non Blondes

Here I am and I'm waitin' on a chance to make it right
Every word you say makes my heart go bang bang
'Cause it sounds so nice, yeah hey
Well I've been alone and you've been a fool
Baby don't you know that's the golden rule
Well I've been alone and you've been a fool
Baby don't you know that's the way I like itLet me take you away on the wings of my superfly
Maybe we'll celebrate all the room in the sky
Heaven knows we'll go boom boom boomWhat can I do to get you in the mood baby, I give up, ahh ha
I'm so misused and you're so confused it's such a drag, yeah hey
Well I've been alone and you've been a fool
Baby don't you know that's the golden rule
Well I've been alone and you've been a fool
Baby don't you know that's the way I like itLet me take you away on the wings of my superfly
Maybe we'll celebrate all the room in the sky
Heaven knows we'll go boom boom boomHere I am and I'm waitin' on a chance to make it right, ahh hu
Do I turn you on or maybe I turn you off could you just decide, yeah hey
Well I've been alone and you've been a fool
Baby don't you know that's the golden rule
Well I've been alone and you've been a fool
Baby don't you know that's the way I like itLet me take you away on the wings of my superfly, yeah
Maybe we'll celebrate all the room in the sky
Let me take you away on the wings of my superfly, yeah
Maybe we'll celebrate all the room in the sky
