

All About Paula

Limp

thought she was nice 'cause she was kind to animals thought she was fair =
cause she's a vegetarian and now i think twice she seems a little vacant =
upstairs i know that's not nice but neither am i i don't care what she =
thinks of me i think of her and i'm glad it's not part of me with a =
cultured and bruised mentality she brought it on herself and we all pay =
the penalty she took on the world and lost everything on the way poor =
girl they'll say she's at it again she says i got selective reasoning it =
leaves me on end and complicates the patience in me and now i know why =
she likes the fashion of attention she'll fuck with your mind talkin' =
shit but so can i pink parasol, she wants a pink parasol they'll say =
it's not her fault just a victim of circumstance and we'll pick her up =
when she falls fuck that i can't stand it
