

# Mambo Gelato

## Ray Gelato

In Italy  
I do a little dace it's called the mambo  
Mambo gelato  
Just you and me why don't we take a chance and do the mambo  
Mambo gelato  
Now it's a craze that's all the rage in Romanopoly  
So es seniorena come here come mambo with me So let's mambo  
Mambo gelato  
Go go go nice and legato  
Don't say no  
Mambo gelato  
Shake that booty baby you driven me crazy Let's mambo  
Mambo gelato  
Take it low  
Feel it roboto  
Let's mambo  
Mambo gelato  
Let's go  
Ah mambo Its melody just makes me want to sing  
Cus it's the mambo  
Mambo gelato  
I look at you then I am in a spin  
Without your mambo  
Mambo gelato  
A memory just you and I  
We dance the night away  
I feel your heart racing dancing the mambo with me So let's mambo  
Mambo gelato  
Go go go nice legato  
Don't say no  
Mambo gelato  
The way you swing your hips baby makes we want to flip Let's mambo  
Mambo gelato  
Take it low  
Feel it roboto  
Let's mambo  
Mambo gelato  
Let's go  
Ah mambo
