Cottonmouth

In Hearts Wake

Everyday they commit crimes of dishonesty.
Make no mistake we will set it straight.
Medication diagnosed but not defined, their antidotes render us blind.Cold-blooded lies (Made from millions).
Strike from behind (Backed by corporate billions).
Where the weak have died you watch as the strong survive.
Dead-alive (You're feeling paralyzed).
(Killionaire)You're feeling paralyzed bitten by a cottonmouth.Year by year they inject chems of toxicity, at our expense, how does it make sense? Strangulation as they inject the frail, prescription for a coffin nail.Cold-blooded lies (Made from millions).
Strike from behind (Backed by corporate billions).
Venom now takes hold.
Pharmaceutic evil.
Broken vows, bitten by a cottonmouth.Your life is under attack
A helpless victim of the viper in back
How could this happen to you?
A choking body quickly turning so blue
Your life is under attack
A helpless victim of the viper in back
You've been falsely led to your deathbed.
Butchered, betrayed and left for dead.Overdosing a nation.
Force-fed lies that give us hope.
This is the fucking end.
They don't deserve to live.
They will rest in pieces.
This is the fucking end
