Dhoom Dhoom

Pritam

Dhoom dhoom come and light my fire
Dhoom dhoom let me take you higher
Dhoom dhoom I wanna feel that burninDhoom dhoom its a wild emotion
Dhoom dhoom passion and devotion
Dhoom dhoom now the wheels are turninMove your body close to mine and
Let me feel your love divine and
Together well explode and well go boomDhoom machale Dhoom machale
Dhoom machale Dhoom machale
Dhoom machale Dhoom machale
Dhoom machale Dhoom machaleDhoom dhoom Im gonna make you sweat now
Dhoom dhoom get your body all wet now
Dhoom dhoom so lets get down on itDhoom dhoom till the hours of the morning
Dhoom dhoom until the dawning
Dhoom dhoom you know that you want itShake your body down to the ground
Once you go theres no turnin round
Tonight were gonna make the world go boomDhoom machale Dhoom machale
Dhoom machale Dhoom machale
Dhoom machale Dhoom machale
Dhoom machale Dhoom machaleThis yearnin inside
You know you just cannot hide
So dont fight the feeling just let your body decide
When you get down on the road
Its a wild overload
Ridin higher than you ever did beforeDoom dhoom let your body do the talkin
Dhoom dhoom I wanna keep on rockin
Dhoom dhoom I want it twenty four seven
Dhooom dhoom get the rhythm of the beat nowDhoom dhoom feel the fire in your feet (and the heat) now
Dhoom dhoom take a trip to heaven
Wanna feel the wind in my hair now
Spread the power out everywhere now
Feel the magic just go zip zap zoomDhoom machale Dhoom machale
Dhoom machale Dhoom machale
Dhoom machale Dhoom machale
Dhoom machale Dhoom machale
