

Because I Love You

Johnnie Ray, Ray Conniff

If I got down on my knees and I pleaded with you

If I crossed a million oceans just to be with you

Would you ever, let me down?

If I climbed the highest mountain just to hold you tight

If I said that I would love you every single night

Would you ever, let me down?

Well, I'm sorry if it sounds kinda sad

It's just that I'm worried

So worried that you'll let me down

Because I love you, love you

Love you, so don't let me down

If I swam the longest river just to call your name

If I said the way I feel for you would never change

Would you ever, fool around?

Well, I'm sorry if it sounds kinda sad

It's just that I'm worried

So worried that you'll let me down

Because I

(Love you, love you)

Love you, love you

Well, I'm sorry if it sounds kinda bad

It's just that I'm worried

Yes, I'm so worried that you'll let me down

Because I love you, love you

Oooh, I love you, love you, love you
