God That Cannot Fail

The God That Cannot Fail

Well, I guess you've all heard the story, How in the Bible it was told 'Bout the three little Hebrew children and their idols made of gold. How the evil king commanded every knee should bow to baal
They said, "Do what you must, we're gonna put our trust in the God that cannot fail"
For He's the God Jehovah, so greatly to be praised He's the God that'll take us over, every mountain sin has raised Out of all of the gods men worship there's a difference you can tell He's the only one who ever gave His Son, He's the God that cannot fail
They were bound but YET DETERMINED as in the furnace they were thrown But it didn't take long for the king to find out they weren't a walkin' in the furnace alone When he came to the edge of the furnace and he first looked over the rail He saw Shadrack, Meshack, Abednigo, and the God that cannot fail
For He's the God Jehovah, so greatly to be praised He's the God that'll take us over, every mountain sin has raised Out of all of the godâ€™s men worship there's a difference you can tell He's the only one who ever gave His Son, He's the God that cannot fail
For He's the God Jehovah, so greatly to be praised He's the God that'll take us over, every mountain sin has raised Out of all of the gods men worship there's a difference you can tell He's the only one who ever gave His Son, He's the God that cannot fail
