

# Mystica (R3ne Trap Bootleg)

**BlasterJaxx**

I turn in to a creature of the night  
It's tearing up my skin I come to life  
I'm screaming like a were-werewolf  
I'm screaming like a were-werewolf The full moon sets it free it feels so right  
It bathe of color as I rule the night  
I'm screaming like a were-werewolf  
I'm screaming like a were-werewolf Adrenaline is rushing through my veins  
The beast of me no longer can be changed  
I'm screaming like a were-werewolf  
I'm screaming like a were-werewolf The lycans myth goes down on break of day  
A sea of light is flashing through my brain  
I'm screaming like a were-werewolf  
I'm screaming like a were-werewolf
