

# Lost in Translation

## Apoptygma Berzerk

Fragile you are  
and yet the strongest by far  
who's to save us now  
that you've turned weak ?I can see it in your eyes  
I can feel it in my gut  
now we've really reached  
the point of no returnwe've all been traumatized  
we were all a part of the revolution  
we call the truth a lie  
too much got lost in translationfrom my heart to your ears  
transforming words to tears  
as vibrations of a string  
become a soundI realize we're frail  
burned out and pale  
do you think we'll ever learn to love again ?we've all been traumatized  
we were all a part of the revolution  
we call the truth a lie  
too much got lost in translation
