

# You're Not Alone (feat. Tara McDonald)

**David Guetta**

Well never know  
What lies ahead tomorrow  
But you're not alone  
Where ever you go  
I follow  
Well never know  
What lies ahead tomorrow  
But you're not alone  
Where ever you go  
I follow  
You're not alone  
You're not alone
