

Ring Of Ice

Jennifer Rush

We lay awake, silent in the dark
You don't have to hide the trace
Emptiness left its mark
Ring of ice
Ring of ice 'round your heart
Ring of ice
Ring of ice, break apart
We are lonely people wearin' a ring of ice
Dancin' in the night
Tryin' to disguise
All that lies behind
Countless empty lies
Wearing a ring of ice
I walk alone searchin' for a sign
Someone else must be alive with warmth behind their eyes
Ring of ice
Ring of ice 'round your heart
Ring of ice
Ring of ice, break apart
All the lonely people wearin' a ring of ice
Dancin' in the night
Tryin' to disguise
All that lies behind
Countless empty lies
Wearing a ring of ice
All the lonely people wearing a ring of ice
Dancin' in the night
Tryin' to disguise
All that lies behind surrounded by a ring of ice
Dancin' in the night
Tryin' to disguise
All that lies behind surrounded by a ring of ice
Dancin' in the night
Tryin' to disguise
All that lies behind surrounded by a ring of ice
