Louie

C.V. JÃ¸rgensen

Louie
I just got a warning and I know and I know
Louie
I know I'm always drunk as drunk as can be
But I wonder, Louie, have you got room for me
I just wonder, Louie, have you got room for meLouie
I just got a warning and I know and I know
Louie
I know I'm always drunk as drunk as can be
But I wonder, Louie, have you got room for me
I just wonder, Louie, have you got room for meLouie
I just got a warning and I know and I know
Louie
They gonna throw me out when the morning comes
And I wonder Louie - have you got room for me
I just wonder Louie - have you got room for meOh, nobody know
Why some are born
With empty wholes
Like twisted soulsLouie
I just got a warning and I know and I know
Louie
I know I'm always drunk as drunk as can be
But I wonder, Louie, have you got room for me
I just wonder, Louie, have you got room for meLouie
I just got a warning and I know and I know
Louie
They gonna throw me out when the morning comes
And I wonder Louie - have you got room for me
I just wonder Louie - have you got room for me
