

Lottery

Michelle Chamuel

I know you think that love
Is just a game for fools
Nobody plays it right
Nobody knows the rules
Maybe you'll be just fine
Watchin' the numbers spin
Too scared to place a bet
On the big winLet's not make it harder than it has to be
I'll take a chance on you
You'll take a chance on me
And we'll both play in the lottery
And we'll both play in the lottery
We'll find out if it's meant to be
If we'll both play in the lottery
Maybe you think you're done
Don't want to try again
I know you lost it all
Now you're wonderin'
Was there a different way
You could've rolled the dice
I think it's hard to say
When you think twiceLet's not make it harder than it has to be
I'll take a chance on you
You'll take a chance on me
And we'll both play in the lottery
And we'll both play in the lottery
We'll find out if it's meant to be
If we'll both play in the lottery
Oh
Take a chance with me
Oh and we'll see
If we'll both play in the lottery
I know how bad it hurts
To be hadn't burned, and feel torn apart
Time and time again, no it's not the end
But don't know where to startSo let's not make it harder than it has to be
I'll take a chance on you
You'll take a chance on me
There's no other place that I would rather be

Taking a chance on you
Taking a chance on me And we'll both play in the lottery
And we'll both play in the lottery (oh yeah)
We'll find out if it's meant to be
If we'll both play in the lottery
Just take a chance
A chance with me
Oh and we'll see
If we'll both play in the lottery
We'll find out if it's meant to be.
