Someday

Nina

Someday, you're gonna realize
One day, you'll see this through my eyes
By then I won't even be there
I'll be happy somewhere
Even if I can'tI know
You don't really see my worth
You think you're the last guy on earth
Well I've got news for you
I know I'm not that strong
But it won't take long
Won't take longChorusCoz someday, someone's gonna love me
The way I wanted you to need me
Someday, someone's gonna take your place
One day, I'll forget about you
You'll see, I won't even miss you
Someday, somedayRight now
I know you can't tell
I'm down and I'm not doing well
But one day these tears
They will all run dry
I won't have to cry
Sweet goodbyeChorusCoz someday, someone's gonna love me
The way I wanted you to need me
Someday, someone's gonna take your place wo oh oh
One day, I'll forget about you
You'll see, I won't even miss you
Someday,I know someone's gonna be there
Someday, someone's gonna love me
The way I wanted you to need me
Someday, someone's gonna take your place
One day, I'll forget about you
You'll see, I won't even miss you
someday, someday
oh yeah yeah
