

You Don't Know Me (feat. Duane Harden)

Armand van Helden

You don't even know me
You say that I'm not living right
You don't understand me
So why do you judge my life I don't ask for nothing
I'm always holding my own
Every time I turn around it's something
People talking about what they don't know And when I try to move on up
They're always pulling me down
I'm tired and I've had enough
It's my life and I'm living it now You don't even know me
You say that I'm not living right
You don't understand me
So why do you judge my life I always wonder why
People try to hurt me
No happiness in their own lives
So they act out all there jealousies Who are you to say that I'm living wrong
Always telling me what to do
I've decided I gotta be strong
What makes you think that I needed you
You don't know me You don't even know me
You say that I'm not living right
You don't understand me
So why do you judge my life You don't even know me
You say that I'm not living right
You don't understand me
So why do you judge my life I'm gonna move
It's my life You don't even know me
You say that I'm not living right
You don't understand me
So why do you judge my life
