Unforgivable Sinner

Marion Raven

Kinda lose your sense of time
'Cause the days don't matter no more
All the feelings that you hide
Gonna tear you up inside
You hope she knows you triedFollows you around all day
And you wake up soaking wet
'Cause between this world and eternity
There is a face you hope to see, yeahYou know where you've sent her
You should know where you are
You're trying to ease off
But you know you won't get farAnd now she's up there, sings like an angel
But you can't hear those words
And now she's up there, sings like an angel
Unforgivable sinnerYou've been walking around in tears
No answers are there to get
You won't never be the same
Someone cries and you're to blameStruggling with a fight inside
Sorrow, you'll defeat
The picture you see, it won't disappear
Not unpleasant dreams or her voice you hearYou know where you've sent her
You should know where you are
You're trying to ease off
But you know you won't get farAnd now she's up there, sings like an angel
But you can't hear those words
And now she's up there, sings like an angel
Unforgivable sinnerMaybe one time lost but now you're found
Stand right up before you hit the ground
Maybe one time lost but now you're found
Stand right up before you hit the ground, hit the groundYou know where you've sent her
You should know where you are
You're trying to ease off
But you know you won't get farAnd now she's up there, sings like an angel
But you can't hear those words
And now she's up there, sings like an angel
Unforgivable sinner
