

Unforgivable Sinner

Marion Raven

Kinda lose your sense of time
'Cause the days don't matter no more
All the feelings that you hide
Gonna tear you up inside
You hope she knows you tried Follows you around all day
And you wake up soaking wet
'Cause between this world and eternity
There is a face you hope to see, yeah You know where you've sent her
You should know where you are
You're trying to ease off
But you know you won't get far And now she's up there, sings like an angel
But you can't hear those words
And now she's up there, sings like an angel
Unforgivable sinner You've been walking around in tears
No answers are there to get
You won't never be the same
Someone cries and you're to blame Struggling with a fight inside
Sorrow, you'll defeat
The picture you see, it won't disappear
Not unpleasant dreams or her voice you hear You know where you've sent her
You should know where you are
You're trying to ease off
But you know you won't get far And now she's up there, sings like an angel
But you can't hear those words
And now she's up there, sings like an angel
Unforgivable sinner Maybe one time lost but now you're found
Stand right up before you hit the ground
Maybe one time lost but now you're found
Stand right up before you hit the ground, hit the ground You know where you've sent her
You should know where you are
You're trying to ease off
But you know you won't get far And now she's up there, sings like an angel
But you can't hear those words
And now she's up there, sings like an angel
Unforgivable sinner
