

How Can Heaven Love Me (feat. Chris Thompson)

[Sarah Brightman](#)

Fell from the grace of heaven's prow
Listening as the abyss calls our name
Descending stars from golden clouds
Falling to the rage of angels Bring of light from on high
Bound to the earth and unable to fly I don't know
I don't know
I don't know
How can heaven love me I don't know
(You don't know)
I don't know
(You don't know)
I don't know
How can heaven love you We loved in a time before the fall
Welcome to the arms of solitude
Beneath us, the heat that hearts exude
Is this really heaven? We'd fight with the Gods for our dreams
Where paradise falls, eternity screams I don't know
I don't know
I don't know
How can heaven love me I don't know
(You don't know)
I don't know
(You don't know)
I don't know
How can heaven love you Die welt ein tor
Zu tausend wsten stumm und kalt
Wer das verlor, was du verlorst
Macht nirgends halt Crystallized as starlight
Lost in paradise I don't know
I don't know
I don't know
How can heaven love me I don't know
(You don't know)
I don't know
(You don't know)
I don't know
How can heaven love you I don't know
(You don't know)
I don't know

You don't know
I don't know
How can heaven love me I don't know
(You don't know)
I don't know
(You don't know)
I don't know
How can heaven love you
