

# Fame For President (feat. Lil fame of M.O.P.)

## Marco Polo

It's Lil' Fame motherfucker I address the nation  
To all my people, y'all kept impatient  
Go on if I kept you waitin'  
I'm gone, where's my destination  
But right now Native New Yorker  
Al Sharpton in a sweatsuit walking with the people behind me  
It's Brownsville, nigga, grimy  
Plus, on top of that I never lose focus 'cause the people remind me  
You know how many slugs we tossed, how many bullets we ducked  
How many niggas we lost, how many niggas' asses we mashed out  
Man motherfuck a nigga that's rapping about how much money he got in his account  
Keep it classic  
I do what I want to, clown you bastards  
[?], who's your favorite uncle  
This is the repercussions when you put Marco with a marksman  
Be cautious, we [?]  
And yeah I smoke a lot  
But don't test 'em  
I get this bitch shot the fuck up like a old Western  
This is Port Authority for the majority  
And niggas right now . .  
I address the nation  
To all my people, y'all kept impatient  
Go on if I kept you waitin'  
I'm gone, where's my destination  
But right now Marco Polo, show 'em how it's done  
This the woods of South Hampton, niggas get sliced into pork chops  
Until my fork stop, I stab you in your mind  
Fuck the latest, I'm the greatest of all time  
[?] they call Michael  
I tell your favorite rapper to his face "we don't like you"  
World star masher, I'm out before the lights out  
And after that, whoop the hype man's ass  
This is rock for the people, Fam's out for the people  
This ain't that microwave shit that brainwash the people  
Anytime I'm up in the booth I be talking some shit  
You better put a taller [?] on that bitch  
I'm fly as a 747, I lay that bitch on the Arctic  
And walk out holdin' my nuts like it's nothing

Disgusting!  
Hood Port Authority for the majority  
My niggas  
I address the nation  
To all my people, y'all kept impatient  
Go on if I kept you waitin'  
I'm gone, where's my destination  
But right now
