One Dead Cop

LeftoÌˆver Crack

Power abuse, authority misuse
They kill and rape, and it won't be on the news
But yer the good one
With a badge and a gun
Braggin' how you blasted
Gunshot 41(Policia)- Lined up on the wall
(Policia)- beat it out of em
(Policia)- Kill and rape some more
(Policia)- Conspiracy to cage the poorOne dead cop
No more donut shops
More dead cops
Might make the hurting stop
Kill cops x7(Policia)- Lined up on the wall
(Policia)- Feeding animals
(Policia)- Kill and rape some more
(Policia)- Conspiracy to cage the poorOne dead cop
No more donut shops
More dead cops
Might make the hurting stop
So kill cops x7I never took such pleasure in a death
A hatred born of freedom's dying breath
The police kill and then they lie some more
In a conspiracy to cage the poor
