

Run From You

Alvarez Kings

I resign my heart, till it falls apart

But I will never run from you

I will never run from you

You escaped my dreams, now you're all I need

I will never run from you,

I will never run from you.

If our stars collide, we'll ignite the sky

I will never run from you

I will never run from you.

I will quite my fears, if you cry those tears,

I will never run from you

I will never run from you.
