

# Black Mirror (team9 remix)

## Arcade Fire

I walk down to the ocean  
After waking from a nightmare  
No moon, no pale reflectionBlack mirror, black mirror  
Shot by a security camera  
You can't watch your own image  
And also look yourself in the eyeBlack mirror, black mirror, black mirror  
I know a time is coming  
All words will lose their meaning  
Please show me something that isn't mine  
But mine is the only kind that I relate toLe miroir casse  
The mirror casts mon reflet partoutBlack mirror, black mirror, black mirror  
The black mirror knows no reflection  
It knows not pride or vanity  
It cares not about your dreams  
It cares not for your pyramid schemes  
Their names are never spoken  
The curse is never broken  
The curse is never brokenUn! Deux! Trois! Dis: miroir noir!  
Black mirror!  
Un! Deux! Trois! Dis: miroir noir!  
Black mirror!Black mirror  
Black MirrorMirror, mirror on the wall  
Show me where them bombs will fall  
Mirror, mirror on the wall  
Show me where them bombs will fallBlack mirror!  
Black mirror!  
Black mirror!  
Black mirror!  
Black mirror!  
Black mirror!  
Black mirror!
