

# I Can't Get You Off My Mind

[Hank Williams](#)

I can't get you off of my mind  
When I try, I'm just wastin' my time  
Lord, I've tried and I've tried and all night long I've cried  
But I can't get you off of my mind Well, you think you would leave me behind  
But I guess you're the good timin' kind  
Do you think that it's smart to jump from heart to heart  
When I can't get you off of my mind I can't get you off of my mind  
When I try, I'm just wastin' my time  
Lord, I've tried and I've tried and all night long I've cried  
But I can't get you off of my mind You believe that a true love is blind  
So you fool every new love you find  
You've got stars in your eyes, but they can't hide the lies  
I can't get you off of my mind
