

# Speaking in Tongues

## Toni Braxton

I know that it's over, but I still reminisce  
Of the very first time that I saw you  
And the first time that we kissed  
I still recall the days of good old love we made  
Without taking off our clothes  
You spoke a language to my body, baby  
So innocent, you and me talkin' baby1 - Ooh ah, ooh ah  
Ooh la la la la  
Ooh ah, ooh ah  
Speaking in tongues babe with you Maybe we could exchange a little conversation, yeah  
315-3769, call me boy anytime  
Don't need no call ID  
'cause I won't have anybody interrupting our call  
Talk dirty to me baby, without talking at all  
You got me singing baby Repeat 1 How do we play pretend?  
How do we do not sin?  
And be together, making love forever  
And I will fantasize, make you up in my mind  
And intimately I will cry Repeat 1 to fade
