

New World Coming

[Nina Simone](#)

There's a new world comin'. and it's just around the bend.

There's a new world comin', this one's comin' to an end.

There's a new voice callin', you can hear it if you try.

And its growin' stronger with each day that passes by. There's a brand new mornin', rising clear and sweet and free.

There's a new day dawnin', that belongs to you and me.

Yes, a new world's comin', the one we've had visions of
