Pressing On

Vanessa Bell Armstrong

I think we're goin' somewhere
We're on to something good here
Out of mind, out of state
Tryin' to keep my head on straightI think we're goin' somewhere
We're on to something good here
There's only one thing left to do
Drop all I have and go with youSomewhere back there I left my worries all behind
My problems fell out of the back of my mind
We're goin' and I'm never knowin'
Never knowin' where we're goin'
To go back to where I was would just be wrongI'm pressin' on, pressin' on
All my distress is goin', goin', gone
Pressin' on, pressin' onAnd I won't sit back and take this anymore
'Cause I'm done with that, I've got one foot out the door
And to go back where I was would just be wrong
I'm pressin' onI think we're goin' somewhere
We're on to something good here
Out of mind, out of state
Tryin' to keep my head on straightI think we're goin' somewhere
We're on to something good here
Adversity, we get around it
Searched for joy, in you I found itSomewhere back there I left my worries all behind
My problems fell out of the back of my mind
We're goin' and I'm never knowin'
Never knowin' where we're goin'
To go back to where I was would just be wrongI'm pressin' on, pressin' on
All my distress is goin', goin', gone
Pressin' on, pressin' onAnd I won't sit back and take this anymore
'Cause I'm done with that, I've got one foot out the door
And to go back where I was would just be wrong
I'm pressin' onTo go back to where I was would just be wrong
I'm pressin' on, on, pressin' on
All my distress is goin', goin', gone
Pressin' on, pressin' onAnd I won't sit back and take this anymore
'Cause I'm done with that, I've got one foot out the door
And to go back where I was would just be wrong
I'm pressin' onYou look down on me but you don't look down on me at all
You smile and laugh and I feel the love you have for me
I think we're goin' somewhere

And we're on to something good here
And we're gonna make it after all
