

I Don't Want To Talk About It (feat. Amy Belle)

[Rod Stewart](#)

I can tell by your eyes
That you've probably been cryin' forever
And the stars in the sky don't mean nothin' to you
They're a mirror I don't wanna talk about it, how you broke my heart
If I stay here just a little bit longer
If I stay here won't you listen to my heart
Oh my heart? If I stand all alone, will the shadow hide the colors of my heart?
Blue for the tears, black for the night's fears
The stars in the sky don't mean nothin' to you
They're just a mirror I don't wanna talk about it, how you broke my heart
If I stay here just a little bit longer
If I stay here, won't you listen to my heart
Oh my heart?
