

# The Fight (Album Version)

## Days Away

I really wouldn't mind a fight sometimes  
but I care to much  
no one else cares enough  
so I will  
be careful for all of us you think this time that I'd be  
blaming myself for this one  
I've changed my mind  
I can carry on I'd trade the truth for some lies sometimes  
I feel better not knowing what's going on  
no one else cares enough  
so I will  
be careful for all of us how was I supposed to know  
how was I supposed to know this was the strange one  
this was the strange one take what you want because  
take what you want because  
take what you want because you think this time that I'd be  
blaming myself for this one  
I've changed my mind  
I can carry on
