

# I Can't Unlove You

Kenny Rogers

Postcards and letters  
And pictures made to last forever  
To be boxed up and tossed away  
Nick-nacs and souvenirs  
In an afternoon they're out of here  
They'll disappear without a trace  
What they mean to me  
Can never be replaced  
I can't unthink about you  
I can't unfeel your touch  
I can't unhear all the words  
Unsay all the things that used to mean so much  
I wish, I could unremember  
Everything my heart's been through  
I'm finding out it's impossible to do  
Oh, it's no use, I can't unlove you  
Interstates and old songs  
Like time they go on and on  
I guess, I could learn to do the same

I could wake up without you  
These two arms not around you  
Tell myself it's meant to be this way  
No matter how I try  
Some things I can't change  
I can't unthink about you  
I can't unfeel your touch  
I can't unhear all the words  
Unsay all the things that used to mean so much  
I wish, I could unremember  
Everything my heart's been through  
I'm finding out it's impossible to do  
Oh, it's no use, I can't unlove you  
I wish I could unremember  
Everything my heart's been through  
I'm finding out it's impossible to do  
It's no use, I can't unlove you
