

Reggae Strong

Lucky Dube

Reggae in the bathroom, reggae in the bedroom
Reggae everywhere, reggae in jail, reggae in church
Everybody likes it they tried to kill it many years ago
Killing the prophets of reggaeDestroying the prophets of reggae
But somebody said to all the bald heads
Respect the Rastaman 'cos hes the only one
Only one left in Jah creationNobody can stop reggae
Nobody can stop reggae
Nobody can stop reggae
'Cos reggae's strongYou can change the style of playing reggae
You can change the rhythm of playing reggae
But never ever change the message every time I play it a Babylon
A wish me fe dead, a wish me fe deadThey tried to destroy it many years ago
Killing the prophets of reggae
Killing the prophets of reggae
But somebody said to all the bald headsNobody can stop reggae
Nobody can stop reggae
Nobody can stop reggae
'Cos reggae's strongNobody can stop reggae
Nobody can stop reggae
Nobody can stop reggae
'Cos reggae's strongNobody can stop reggae
Nobody can stop reggae
Nobody can stop reggae
'Cos reggae's strong
