

Muchacho's Tune (Live at St. Pancras Church)

Phosphorescent

I sing no way the stone
Set up a trembling in my bone
I sat there all alone
I cried and cried
I saw the moonlights weary glow
On that old dirty city snow
I sat there feeling low
My, oh my I found some fortune, found some fame
Finally cauterized my veins
Yea, Ive been fucked up and Ive been a fool(Chorus)
Like the shepherd to the lamb
Like the wave onto the sand
I fixed myself up to come and be with you See I was slow to understand
This rivers bigger than I me
Its running faster than I can
Lord, I tried Between the shadow and the stone
A little Huck was being born
A little web without his horns
Oh my, oh my And mama neatly meet the moon
I will humming out that tune
Ive been fucked up and Ive been a fool(Chorus x2)
But like the shepherd to the lamb
Like the wave onto the sand
I fixed myself up to come and be with you(x2)
Out here, mama, here I stand
And mom Im reaching for your hand
I fixed myself up to come and be with you I fixed myself up to come and be with you
I fixed myself up to come and be with you
