

Only Friend

Cub Sport

Lookin' at the world
Is not inspirin' it's intimidatin'
And I'm standing here
Yeah I'm standing here and I'm just waiting
Waiting til the time is right
Is what we're sayin'
I don't know how it will go I don't think I wanna know
You're my only friend You're my only friend
Oooh Ooooh
Have you ever thought of walking away
Oooh Ooooh 'Cause I've been thinking about it every day
Ooooh ooooh
I could leave and know there's nothing to end
Oooh oooh You're my only friend
Don't wanna talk about it
I feel like throwin' up just thinkin' bout it Don't wanna talk about it
Livin' like a dream but it isn't what I was expectin' Heard them yesterday and watch them feelin' disconnected
Waitin 'til the time is right
What are you saying?
I just know I have to go
That's why I had to let you know When you're only friend
You're my only friend Oooh Ooooh
Have you ever thought of walking away
Oooh Ooooh
'Cause I've been thinking about it every day Ooooh ooooh
I could leave and know there's nothing to end
Oooh oooh
You're my only friend
