

# Tequila Sunrise

## The Champs

Its another tequila sunrise  
Starin slowly cross the sky  
Said goodbyeHe was just a hired hand  
Workin on the dreams he planned to try  
The days go byEvery night when the sun goes down  
Just another lonely boy in town  
And shes out runnin roundShe wasnt just another woman  
And I couldnt keep from comin on  
Its been so longOh, and its a hollow feelin  
When it comes down to dealin friends  
It never endsTake another shot of courage  
Wonder why the right words never come  
You just get numbIts another tequila sunrise  
This old world still looks the same  
Another frame
