

Summerland

King's X

summerland in my past
days were full and i knew it would last
i never thought there was anything else but you
summerland
the wind is getting cold
summerland
you're finally getting old
not much time
there's much to do
look ahead and walk on through
no one's taking sides this time it's you
summerland
your sky can still be blue
summerland
always in love with you
