South Away

Summoning

Leave the halls and caverns deep
Were the forests wide and dim
Stoops in shadow gray and grimFloat beyond the world of trees
Past the rushes, past the reeds
Past the marshes, weaving weedsI'm the crowns of the seven kings
I'm the crowns of the seven kings
I'm the robes of the five wizards
I'm the crowns of the seven kings
I'm the crowns of the seven kings
I'm the robes of the five wizardsSouth away, south away now
Far away seek the sunlight and the day
South away, south away now
Far away seek the sunlight and the dayHail, hail now, king of the mark
Hail, hail now, king of the mark
HailLeave the halls and caverns deep
Were the forests wide and dim
Stoops in shadow gray and grimFloat beyond the world of trees
Past the rushes, past the reeds
Past the marshes, weaving weedsI'm the crowns of the seven kings
I'm the crowns of the seven kings
I'm the robes of the five wizards
I'm the crowns of the seven kings
I'm the crowns of the seven kings
I'm the robes of the five wizardsSouth away, south away now
Far away seek the sunlight and the day
South away, south away now
Far away seek the sunlight and the dayHail, hail now, king of the mark
Hail, hail now, king of the mark
HailHail, hail now, king of the mark
Hail, hail now, king of the mark
Hail, hail now, king of the mark
Hail, hail now, king of the mark
Hail, hail now, king of the mark
Hail, hail now, king of the mark
