

56 Hope Road (ft. Shaggy)

Sugar Ray

Uh, Sugar Ray, Shaggy!
And it's the new style, so get wicked and wild
They get reversitile, uh
There's a place without commotion
Down by the sea inside this ocean
Deep inside a dream [oh yes]
A universe in notion
Tryin' to be free, sent into motion (Yeah, Yeah...)
Someone fall in love with me
And someone fall in love
What what... Praise, praise for redemption [oh]
In a perfect stage sung with emotion
To get the feeling right
Set your position
Fly through the night
For anyone to listen
(Yeah, Yeah...)
Someone fall in love with me
And someone fall in love
What, what...
Someone fall in love
Someone someone someone fall in love
Someone someone, watch out-uh
Girl the lovin' that I'm givin' to you is so addictive
The way you fell in love could not be predicted
Don'tcha worry about becoming a victim
Wuhdababa Wuhdababa, uh
Girl the lovin' that I'm givin' to you is so addictive
The way you fell in love could not be predicted
Don't ya worry about becoming a victim
Uh, most the emotion sexiness, uh
Feelings unpredictable and that is OK
Took me by surprise and now you've no need to stray
Love is like a game you know it takes 2 to play
I will be the light you need to show you the way
Here comes combination Shaggy and Sugar Ray
Matters of the heart you have a hole lot to say
Need someone to hold on to night and day
Consider this the lesson everytime that you play
Someone fall in love with me
And Someone fall in love
Oh yes Someone fall in love...
Whatever you're tellin' yourself
Girl the lovin' that I'm givin' to you is so addictive
The way you fell in love could not be predicted
Don't ya worry about becoming a victim
Wuhdababa Wuhdababa, uh
Girl the lovin' that I'm givin' to you is so addictive
The way you fell in love could not be predicted

Don't ya worry about becoming a victim
Again! Again! I said Feelings unpredictable and that is OK
Took me by surprise and now you've no need to stray
Love is like a game you know it takes 2 to play
I will be the light you need to show you the way Here comes combination Shaggy and Sugar Ray
Matters of the heart you have a hole lot to say
Need someone to hold on to night and day
