Unconditional

Comeback Kid

Haven't been here before
Seeing is believing
You're up
Not the type to settle grieving
And while we're bracing for it
You're the same, handling, and your life is showing
Are you afraid anymore?
How are you preparing for...?
Check back in a month
Overthink it too much
We're waiting, you're facing, and bracing for what?
Are you afraid anymore?
The light that surrounds you
Your faith reinforcedExpect more, and brace for...Unconditional source
Of sole sincerity
And you withstand that force with your own clarity
I've missed out before
We'll miss out again
But the sentiment stays
Your family remains
No time is enough
Reality strikes and it's never enough
Are you afraid anymore?
The light that surrounds you
Your faith reinforcedExpect more, and brace for...
