

# Try Our Love Again

**Brian McKnight**

It's been so long  
Since I touched your face  
It's been so long  
Since I had a taste  
It's been so long  
Since I had you here with me, yeahIt's been so long  
Since our yesterday's  
It's been so long  
Since you went away  
It's been so long  
I never thought I'd ever see you againSo that's why  
Never gonna let you go  
That's why  
Feel it's time I let you know  
That's why  
Baby girl don't tell me no  
Why don't we try our love again?That's why  
You're the one I should be with  
That's why  
Miss you more than a little bit  
That's why  
Think I've have had about enough of this  
Why don't we try our love again?It's been so long  
It's been quite a while  
It's been so long  
Since I seen that smile  
It's been so long  
Since I held you close to me, yeahIt's been so long  
So much has changed  
It's been so long  
Girl I'll take the blame  
It's been so long  
But I knew someday I'd see you againThat's why  
Never gonna let you go  
That's why  
Feel it's time I let you know  
That's why  
Baby girl don't tell me no  
Why don't we try our love again?That's why

You're the one I should be with  
That's why  
Miss you more than a little bit  
That's why  
Think I've have had about enough of this  
Why don't we try our love again? I used to have you here with me  
I think about you constantly  
And I just had to let you know  
Can't remember why I let you go But here we got us a second chance  
The essence of a true romance  
And we don't have to be alone  
It's time for you to come on home Never gonna let you go  
Feel it's time I let you know  
That's why  
Baby girl don't tell me no  
Why don't we try our love again? That's why  
You're the one I should be with  
That's why  
Miss you more than a little bit  
That's why  
Think I've have had about enough of this  
Why don't we try our love again?  
Love again
