Vaguely Human

Flesh For Lulu

Back in the hotel his mind is made up
They're telling him things he dont understand
Neither which way can satistfy the beast in room 315
And the fire hes a breathing down the back of your neck
all your hair is standing up on end
Wooh Bella Bella better watch that fella
He's standing too close for a friend
Please dont cover me with flowers
I'm not dead any more
No no
Please don ya cover me with flowers
I'm just about Vaguely Human
Vaguely Human
Just watch your step
Cos he can hardly stand
400 pound?
Every body look at me
Please dont cover me with flowers
I'm not dead any more
No no
Please dont ya cover me with flowers
I'm just about Vaguely Human
Oh dont go back inside
Room 315
There's a beast in there
And hes barely alive
Oh dont go back inside
Watch your step
Watch your step
Watch your step
Watch your step
Falling down through your arms
Down through your legs
Shiver through
Shiver through the night
Watch your step
Oh he looked like some kinda beached whale
Watch your step
Dont go back inside

Room 315
Back in the hotel his mind is made up
There telling him things he dont understand
I said Bella Bella better watch that fella
He's getting pretty out of hand
Oh no
Please dont cover me with flowers
I'm not dead any more
No no
Please dont ya cover me with flowers
I'm just about
Just about
Just about Vaguely Human
Oh dont go back inside
Yeah room 315
Bella Bella better watch that fella
He's barely alive
Like some kinda beached whale
