Slick Rick

Lil Ugly Mane

Duck down when you see me in that monster coupe
Slick rick said treat 'em like a prostitute
She on my dick like flies in a box of fruit
Slick rick said treat 'em like a prostitute
X2First I met this freak, she was outside of the milk store
Took her in the alley and I ran up in her real slow
Sucking on my willy like a real pro
Plus she had some titties and you know she let me feel those
She said "what's your number?" I said 1-800-hell no
Bitch get going before I drop you with my elbow
(Bitch) I'm a real G riding from the b side streets
You can come and come and see me on that late night creep
I ain't got no time for some date night shit
Cause I just wanna find me a late night freak
Lil Ugly Mane I know how to play 'em
I be fucking with these hoes but I never ever pay 'em
X2I fucked the bitch it was outside of the church next
She said that her and her man they had the worst sex
I used the jelly so her booty hole hurt less
Then I pulled out and I skeeted on her church dress
I don't give a fuck about impressing these broads
Leave 'em looking messy in the presence of God
Blushing on my willy is impressively large
So I always hit the coochie up aggressively hard
The bitch might not be technically working
But I treat her like a ho if we're sexually twerking
Lil Ugly Mane I know how to play 'em
I be fucking with these hoes but I never ever pay 'emX2
Listen up gangster the moral is this
Never fall in love cause a bitch is a bitch
If she getting wet let her suck on your dick
But never fall in love cause a bitch is a bitchX2
