

# Jesus Is My Neighbour

## Gloria Bailey & The New Heavenly Voices

### JESUS IS MY NEIGHBOUR

I'm living close to Jesus  
On Glory Avenue,  
We walk and talk together,  
As other neighbours do.  
We have such sweet communion  
Our fellowship is true,  
I'm glad I live beside him  
On Glory Avenue.  
Yes Jesus is my neighbour  
The dearest friend of all,  
He stays so close beside me  
He hears me when I call.  
He shares my joy and sorrow,  
He knows when I am blue  
I'm glad I live beside Him,  
On Glory Avenue.  
One day when I was living  
Down in the streets of sin,  
My burden was so heavy  
I had no peace within,  
But Jesus came and sought me  
His smile came shining through,  
I packed and moved that morning  
On Glory Avenue
