

# Get Right with God

[Lucinda Williams](#)

Get down with him I would risk the serpent's bite  
I would dance around with seven  
I would kiss the diamond back  
If I knew it would get me to heaven 'Cause I want to get right with God  
Yes, you know you got to get right with God I would burn the soles of my feet  
Burn the palms of both my hands  
If I could learn and be complete  
If I could walk righteously again 'Cause I want to get right with God  
Yes, you know you got to get right with God I would sleep on a bed of nails  
Till my back was torn and bleeding  
In the deep darkness of hell  
The Damascus of my meeting I want to get right with God  
Yes, you know you got to get right with God I asked God about His plan  
To save us all from Satan's slaughter  
If I give up one of my lambs  
Will You take me as one of Your daughters? 'Cause I want to get right with God  
Yes, you know you got to get right with God 'Cause I want to get right with God  
Yes, you know you got to get right with God 'Cause I want to get right with God  
Yes, you know you got to get right with God 'Cause I want to get right with God  
Yes, you know you got to get right with God
