

# Step Down

## Mindwalk Blvd

You look so easy  
dancing in the light  
Take for granted  
You got everybody's sight

Walk on over  
Command without a rule  
Dirty little bitch  
Don't you play me for no fool

Step Down  
Tease me just a little  
It's a power play  
Come down  
Please me just a little  
Loving every way  
Step down  
Off of your stage  
Into my lap  
Stimulate the pay  
Why don't you  
Step down  
and tell me your name

She said it's on down  
I'll give you what you need  
Feed your lust and carnal dreams  
Watch me move up and down  
I'll blow your mind•  
The temperature is rising  
As she sucks my pockets dry  
(chorus)

The temperature is rising  
As she sucks my pockets dry
